Red Armies Sweep Baltic

Liquidation of 100,000 Germans Is Believed to Be Certain

MOSCOW, Oct. 14. (UP)—Three huge Red armies, backed by planes, guns and warships, stormed the Germans' Baltic pocket from three sides today in a bid for speedy liquidation of nearly 100,000 trapped Germans preparatory to a final assault on East Prussia.

Quickly exploiting their capture of Riga, capital of Latvia and main fortress in the pocket, the Second and Third Baltic armies smashed at the doomed enemy from the north and east, while the Third Baltic Army stabbed into the southern flank.

Soviet warships and planes backed the attacks with shells and bombs and at the same time maintained a tight blockade over the enemy's two remaining evacuation ports, Lilepaja and Ventpils. Only yesterday, a 6,000-ton German transport was sent to the bottom by the warships, while naval planes accounted for a 6,000 tonner.

The Germans attempted to ease the pressure against their southern flank with an amphibious landing behind the Soviet lines near Palanga, 14 miles north of Memel, but were driven off by Soviet guns and planes with a loss of four of their 24 landing vessels.

Scores of Germans were drowned in the attempt and others were killed by shellfire and bombing. More than 300 prisoners were taken.

Once the German pocket south and west of Riga has been eliminated, all three armies probably will join Gen. Ivan D. Cherniakhovsky's Third White Russian

HUNGARY-AXIS BREAK IS NEAR

Reported On Verge Of Deserting As Russ Drive Deeper

LONDON, Oct. 14.—(UP)—Hungary, last big Nazi Balkan satellite, tonight was reported on the verge of deserting Germany, possibly this week end, spurred by a Russian drive across the great Hungarian plains which had carried to within 57 miles of the panicky capital of Budapest.

(Telegraph communications between Zurich and Budapest have been cut, an ABSIE broadcast reported, and the clandestine radio Atlantic said mobs, staging peace demonstrations in the capital, had smashed windows in the German consulate and tried to set fire to the home of the Hungarian finance minister.)

The Germans, in a last-minute attempt to guard against another defection which would open the way for the Allies to Vienna and upper Austria, were rushing troops into Hungary and simultaneously

Joseph R. McCarthy came back to Washington for a physical checkup today and reiterated that he would campaign for both Dwight D. Eisenhower and Sen. Richard Nixon.

The Wisconsin Republican, whose name has become a leading campaign issue, said he was "feeling fine" but "still a little weak" following a recent operation.

He plans to enter the U. S. Naval Hospital at Bethesda, Md., tomorrow for a checkup and possible further treatment, but said he expects to return to Wisconsin about Wednesday.

Seeks Renomination

McCarthy is seeking renomination in the Sept. '9 Wisconsin primary.

He told a reporter that he would campaign for the whole Republican ticket. It is of the utmost importance that we have a change, it would be a catastrophe for a man like Stevenson to be elected to the presidency.

Eisenhower and Nixon have said they will endorse McCarthy for another Senate term if he wins renomination. But, they said, this would not imply an endorsement of all of McCarthy's views, including his attacks on Gen. George C. Marshall.

Rite Becomes Riot As Reds Invade Berlin Funeral

The demonstration was staged to illustrate a Communist claim that Schoenherr was murdered by "West Berlin Fascists." West Berlin police said the man died of natural causes.

the seller, Henry Crown & Chicago, principal stockholder of the Empire State Building Corp.

Wien's syndicate paid \$36 million to Crown, completing one of the most complex real estate deals in history.

In 1951, Prudential paid \$17 million for the land on which the building stands.

Wien's 114-year leasehold gives him the right to rent office space and to control the operation of the observation roof and television tower. The Empire State, the unofficial symbol of New York City, grosses about \$14 million a year income.

The sale was made at Prudential's headquarters in Newark.

Painting Job At Courthouse Gets Underway

The process of giving most of the inside of the courthouse a fresh coat of paint began this morning when painters from the Bob Ulrich Decorating company, Michigan City, brought their buckets of paint and plaster to the county building.

The Ulrich firm was given the contract for the painting last Monday, when the county commissioners accepted a bid of \$1,621.

The painting will include the ceiling and walls on the ground floor offices of the welfare, surveyor's, agricultural agent's, and county education departments.

On the first floor, scheduled to be painted are the sidewalls of the recorder's, clerk's, assessor's, treasurer's, auditor's, and commissioners' offices and rooms.

The painters will also cover the corridor between the Circuit and Superior court rooms and the probation officer's offices on the second floor, as well as the tuberculosis, veterans' affairs, and agricultural stabilization and conservation offices on the third floor.

Police Report Three Traffic Accident Cases

One person was injured in one of the three traffic accidents reported to authorities Tuesday, according to police records.

Annabel Ailes, RFD 3, received injuries to her left arm but reportedly did not require hospitalization as a result of a two-car collision at 8:29 p.m., Tuesday, one-half mile south and one mile east of Valparaiso on Ind. 49 at the Wayne Stoner driveway.

The driver of the other car, Otto Jensen, 1013 Elmhurst, told Deputy Sheriff Harold Bayder that he was traveling north on Ind. 39 when the snow blinded him causing him to lose control of the car, go across the center line and collide with the Ailes automobile.

Police also reported that Bobby Lee Moseley, 63 South, and Charlotte Ann Huber, 2005 Calumet, were involved in an automobile collision at 3:22 p.m. Tuesday at the intersection of Morgan and Union. No injuries were reported.

They also said Cheryl Jayne Warnock, Box 154, and Bennie Jay Mitchell, 18, Box 204, were also involved in a collision at 10:12 p.m. Tuesday at 11 Franklin. Police said that Mitchell attempted to pull out of an alley onto Franklin when the accident occurred. No injuries were reported.

Outlook For Production of Steel Is Good

NEW YORK (AP)—Steel production next year should top 110 million tons, Iron Age predicted today.

Well over half will be poured in a first half surge, the National Metalworking Weekly said in a year-end forecast. This could account for as much as 65 million tons of steel as consumers hedge against a possible steel strike after the contract between steel companies and the United Steelworkers of America expires on June 30.

Only something not now present in the labor picture could avert a strike, Iron Age commented. Most of the factors present in the 1959 negotiations are still present and little has been done to ease the pressures that caused a strike then, it added.

Total production this year is expected to run between 97 and 98 million tons.

Wife Preservers

Make to wear rubbers? Cost more of shoes with layers of chamois.

White told a newsmen he would not seek the nomination at the state Democratic convention next June. But he confirmed the report in the Courier that he would accept a draft.

Stratton has received scattered support from upper New York State Democratic organizations. However, Mayor Robert F. Wagner of New York City is expected to play a major role in selecting the party's nominee and may even decide to make the race himself.

Gov. Nelson A. Rockefeller, mentioned as a possible Republican presidential nominee in 1964, has said he will seek another four-year term as governor.

Clears Some Smoke

Alford's announcement 'cleared some smoke from Arkansas' political scene.

Three-way jockeying for two jobs has been anticipated. Sen. J. W. Fulbright, chairman of the Senate Foreign Relations Committee, already has announced his candidacy for another six-year term. Alford, a doctor, previously said he would seek the governorship if Gov. Orval E. Faubus challenged Fulbright in the Democratic primary.

Faubus still hasn't announced his plans. He said Alford's announcement will have no bearing on them. Faubus is serving his fourth two-year term as governor.

President's Troublesome Back Stronger

PALM BEACH, Fla. (AP)—President Kennedy's troublesome back is stronger than last summer but it will be several months before he can resume vigorous physical activity, the White House said today.

Kennedy's back was given a year-end checkup by Dr. Preston Wade, New York specialist.

Afterward, press secretary Pierre Salinger issued this statement:

"Dr. Wade examined the President. He reports that as a result of the regime of exercises that has been carried on the past 2 1/2 months that the President's back is stronger than this summer. It will be several months more, however, before the President can resume vigorous physical activity and he must expect to experience, as do all people with similar back troubles, ups and downs and occasional setbacks.

"He is, however, making good progress. The President is in excellent general health and fully able to carry on all of his duties."

DEATHS

KENNETH DENNIS

Services will be held Thursday in Chicago for Kenneth H. Dennis, Sr., 64, Covina, Calif., former Lincoln Hills resident who suffered a fatal heart attack in a Chicago hotel on Christmas Eve.

A dining car steward for the Santa Fe railroad, he lived here until last June when he moved to California.

Survivors include his widow, Mildred, and two sons, Kenneth, Jr., and Donnell.

Services and burial will be in Chicago, his former home.

Meanwhile Gov. Welsh organized his administration in comparative peace and quiet as far as party factionalism was concerned. He ordered certain economies which were well exploited publicly wise by Richard Martin, statehouse press agent.

Democrats Quarrel

Among the Republicans, former Sen. William E. Jenner, still a potent figure in organization affairs, sulked in his Bedford tent after Capehart and Halleck took over, but the most serious factionalism happened among the Democrats later.

A distinct cleavage between backers of Welsh and Sen. Vance Hartke became apparent. One symptom was the conflict between Hartke and Alex Campbell, Welsh supporter, over the appointments of Hoosier federal judges.

As the under-cover friction continued, several Welsh aides mentioned the possibility that Welsh might run for senator against Hartke in 1964. Welsh discouraged this talk, for the time being at least, and talked nobly about seeking only the election of a friendly Legislature next year.

As the year ended, there were three avowed candidates for the Democratic senatorial nomination next year—former House Speaker Birch E. Bayh, Jr., Terre Haute; Marion Mayor M. Jack Edwards and Appellate Court Judge John S. Gonas, South Bend.

Boswell To Run

There will be a fourth and formidable aspirant announcing in a few days—Indianapolis Mayor Charles H. Boswell, who will wrestle with Bayh for endorsement by the Statehouse machine. Gov. Welsh has remained neutral to date but such neutrality is not likely to continue.

Sen. Capehart speeded toward renomination next year with no serious rival in the offing after staging a "cornfield conference" on his farm near Washington, Ind., at which the attendance was estimated up to 5,000.

The Capehart lieutenants were sure that Jenner would not attempt to prevent renomination of the senior senator but expressed fears that the Jennerites would sit on their hands during the election campaign.

Well aware that President Kennedy made his worst per capita showing in Indiana in 1960, Capehart directed a drumfire at the foreign and domestic policies of the White House regime. There were thunders of silence from Capehart about New York Gov. Nelson Rockefeller whose presidential bid has embarrassed the Hoosier senator in the past.

There were no political scandals in either party, strangely enough.

Bayh, Evans to improve

INDIANAPOLIS (AP) — Evan Bayh and H. Dean Evans share a common goal to improve Indiana education. But, the path they take may follow different routes.

Bayh, the Democratic governor-elect, and Evans, the Republican state school superintendent, say it may take time for their new relationship to mature.

When it does, it's unlikely the two will work together as closely as Evans and retiring Gov. Robert D. Orr did in fashioning Indiana's "A-Plus" education reform package, Bayh and Evans predict.

"My desire is to try to find as much common ground as possible and to work with Dean Evans so we can have a single education program" to present to the 1989 General Assembly, said Bayh. "But I'm sure there will be things he's interested in that won't be part of that program and things I'm interested in that won't be part of it."

Evans, appointed by Orr in 1985 and elected to a four-year term in 1988, said his challenge now is to win Bayh's trust.

"We do have a different set of circumstances because I will likely not have the same full, receptive ear that I had with Gov. Orr," said Evans. "We have a new person. He doesn't know me that well, and as a consequence, he probably doesn't have the same confidence in me."

"He didn't appoint me, and by coincidence, he's not of the same political faith," Evans said.

"You put all those things together, and it means some need to convince him that I know

CHICAGO DENTIST RAFFLE PRIZE

(Continued from Page One)

Bryant's showboat on the Ohio river tonight and will take in the city zoo tomorrow morning. Mrs. Stull insisted that there was no connection between the zoo visit and her "love's clearing house."

Mrs. Stull, who said that her job as cupid's "bow puller" nets her about \$9,000 a year from about 1,500 followers, revealed the convention's theme song. It's "That Old Feeling," and they'll all be crooning it.

The chubby protector of lonely middle-aged love got the idea several years ago of running a sort of big junk store where you can graze around and maybe find yourself a pretty good match. She noticed in her home town of Elyria, O., that many middle-aged to elderly women—and lots of men, too—just sat around at parties, twiddling their thumbs.

So Mrs. Stull started out to bring these lonely, unhappy boys and girls together. She started patching lonely hearts. Most of the women who write to her, she said, are between 70 and 80 years old, but the lists include all ages.

"Ain't it wonderful," she asked, "how the spark of love just never, never seems to die in the breast of an old woman?"

Her question stumped everybody, so someone asked how about the bad women?

"Every woman is essentially good in whose heart burns the true spark of love," she answered. Nobody disputed her.

Mrs. Stull's chief aim, she explained, is to make middle-aged men give the nod to middle-aged women and quit fooling around with flappers.

"Flappers," she sighed, "are all motion and no emotion."

VALPARAISO, Sept. 16. — (UP) — Bert Berndt, embattled bus driver for Cooks Corners school, drove what was left of his bus home tonight and swore he'd file three damage suits totaling \$30,000.

Berndt, whose pupils preferred the bus and free candy bars to Township Trustee Vernon Beach and his lead pencils, was arrested today for obstructing justice—he drove off as a wrecking crew prepared to take the body, owned by the township, from the chassis.

Berndt's attorney, J. J. McGarvey, challenged Beach to take off the body without touching the chassis, under threat of a suit for trespass, so Beach obliged. His wreckers eventually caught the bus and lifted the body.

The trustee recently cancelled Berndt's contract when the driver refused to extend his route three miles—without extra pay.

"Beach has the body," admitted Berndt, "but I'm filing a \$10,000 damage suit against him for malicious prosecution."

Suits of the same amount will be filed against Charles Adams, township constable who arrested Berndt, for false arrest, and the Lincoln Highway garage, with Beach and Adams, for damages growing out of a breach of contract.

county's three unsolved murders. Sheriff Grimm stated that since taking office in 1935 he and Deputy Minnich had investigated at least 50 various reports of the fugitive's whereabouts.

Miss Murphy was killed by six blows on the head, which produced a triple skull fracture, according to the coroner's report filed here by Dr. B. O. Shook of Spencerville, DeKalb county coroner. At the inquest, Mrs. Lydia Maxwell, the aged woman with whom the blind Miss Murphy lived, and who was also beaten, testified that a tall, stout man who worked one day on the Murphy farm during the haying season, entered the room in which they had just eaten, and hit Miss Murphy many times, and herself, once. She pretended that she was dead in order that she would receive no further brutal treatment, and reported that this man, whom she knew only by the name of Otto, went upstairs and brought down a big box, which she said was filled with the clothes she intended to use for her burial. He also took a wallet containing a one dollar bill and some change.

On March 30 of this year A. P. Blanchard, alias Charles A. Pasco, a nephew of Miss Murphy, who worked on the Maxwell farm, died in the same house in which the murder was committed. Blanchard testified at the inquest that he had gone away from the farm the morning of the murder with a load of wood and when he returned he found the two old ladies beaten.
